

## CSU Carpool Permit Application and Agreement

A Carpool Agreement and a CSU parking permit application for each carpool member must be *EQORNGVGF* (including license plate information) and submitted to CSU Parking Services. For help creating a carpool, please contact Aaron Buckley at 970-491-2492.

### Carpool Permit Policies:

- The application must reflect a minimum of two participants.
- The first member on the application agreement becomes the Primary Contact (PC) and must provide a *fc{w}o g'rj qpg'pwo dgt*.
- All members of the carpool must have a current affiliation with Colorado State University.
- Carpool permits can be issued for a year or semester. Applicants can re-register their carpool at the beginning of each semester (within the first two weeks of each semester):

Fall semester deadline: (Tuesday, September 10, 2019; Spring Semester Deadline: Tuesday, February 4, 2020; Summer Semester Deadline: Monday, June 1, 2020)

- Participants registering for a carpool are not eligible to purchase a separate annual or semester permit. If a member of the carpool elects not to ride with the carpool on any given day, s/he will be required to buy a daily permit or use the Pay to Park areas (paying for time needed). To register for the Carpool Permit, please fill out the attached parking permit application (one per carpool member) with name, current address, license plate number, vehicle description and signature.
- Participants are required to link any vehicle license plate, including rental vehicles to their permit. Please contact Parking and Transportation Services for help linking a license plate.

### Carpool Parking:

- Carpool permit holders may request a parking space within a designated number of lots that Parking and Transportation Services establishes along with their designated permitted lots.

Please check which of the following parking lots you may wish to park your carpool. We will make every attempt to meet this request depending on spaces available in the requested lot. This is not a guarantee that the lot will be available.

- Hartshorn Lot (#412)
- Morgan Library Lot (#425)
- Alder Hall Lot (#332)
